

Sunday School for preschool children is held in Room 302, a classroom designed just for 3-4-year-olds! The lessons are taught by a team of teachers, parents of preschoolers, who welcome them into class each week. A typical lesson follows the FATIH 5 framework—Share, Read, Talk, Pray, Bless. <http://faith5.org/>

Each week is a new adventure in learning—through sharing Bible stories, games, art experiences, singing, and visiting the church library.
