

# Greeter Ministry

We ask for two greeters to stand at the West (Main) doors. The office prepares name tags for each Sunday. Greeters are instructed to pick up the tags on the one of the tables in the gathering space.

Greets have a simple yet important ministry. They get to say "good morning" as people arrive for worship. "High five's" or "fist bumps" are also appropriate for saying good morning!

We also ask that greeters help respond to the needs of any person as they come up...this could include helping people find the restroom/coat rack to assisting persons in wheelchairs.
